Primary School

Friday 15th May 2026

Dear Parents and Carers,

We hope you enjoy reading about the fantastic few weeks we've had at Pudsey Waterloo, from the Year 6 SATs success to the wonderful Year 1 trip to the Yorkshire Wildlife Park.

Looking ahead, we are incredibly excited for our **Adventure Week** next week! The theme is 'Adventures Outdoors'. As part of this theme, we have two very exciting school-wide trips scheduled:

- Monday, 18th May: Reception to Year 3 trip to William's Den.
- Wednesday, 20th May: Year 4 to Year 6 trip to Mission Out.

As the children will be outside for the vast majority of the day during these trips, please keep a close eye on the weather forecast. Depending on the conditions, children may need waterproof coats for rain or hats and sunscreen if we are lucky enough to have a sunny day.

Pudsey Carnival

The children have worked extremely hard in Carnival Club to create props for our walking float and we hope to see many of you joining the parade tomorrow. We will be meeting at school at 11:45am. The carnival theme is celebrating "100 Years of David Attenborough". Many of the props are safari animal themed, so feel free to wear animal print or bright colours. We have also had some amazing entries into the t-shirt competition and can't wait to see the children wearing these on the day! Well done to the winners of the competition and thank you to all the children who entered.

SATs and Cinema

This week, year 6 completed their SATs tests. They showed amazing positivity and resilience during the week and the majority of the children even commented on what a fun week they'd had! After spending some time together at breakfast club, they worked hard over the four days completing tests in spelling, punctuation and grammar; reading and maths. After all their hard work they were rewarded with a trip to the cinema to see 'Hitpig'. Well done to all the year 6 children this week and a big thank you to all the adults in school who helped the week run so smoothly.

E-Safety

We have recently updated our E-Safety page on our school website with videos and the monthly newsletters produced by Knowsley City Learning Centres. Please take a few minutes to explore these resources here: [Pudsey Waterloo Primary School - E-Safety](#) to help keep our children safe online.

Reception Farm Trip

Reception had a fabulous time at Hesketh Farm on Wednesday, learning about life on the farm. Even the weather didn't spoil our day! The day was set up with lots of different activities, such as tractor rides, feeding calves and lambs, and petting guinea pigs. The children were fantastic and represented the school brilliantly. It was a really busy day, so busy that most of the children slept on the way back! Please take a look at Tapestry to see pictures - there were lots to share!

Year 1 Yorkshire Wildlife Park trip

Our Year 1 trip to Yorkshire Wildlife Park was a fantastic opportunity for the children to apply their Science learning about animals in a real-world setting. As we explored the park, the children enjoyed the variety of species, observing firsthand the physical features of mammals, reptiles, and birds. The day ended in an interactive workshop where the children explored different artifacts, by feeling thick camel fur, gently stroking a snake's scales, and even holding a Giant African Land Snail! It was a joy to see them so engaged as they gathered new facts to bring back to the classroom.

Pudsey Community Project

School uniforms are available to collect from a local run charity.

"Our Kids' Clothes provision aims to save people money and help the planet by reducing fabric waste and encouraging people to reuse clothes instead of buying new. We have an active Facebook page where we advertise some seasonal items and people can message us with requests for bags to be made up for them to collect. We work with The Leeds Uniform Exchange run by Zero Waste Leeds, running uniform stalls at the Leeds Breeze Events and participating in the Winter Coat Appeal." We donate any lost property at the end of the year to the project so there are always plenty of Waterloo colours available.
