

PSHE Curriculum Overview 2026-2027

Curriculum Intent

At Pudsey Waterloo our well planned PSHE curriculum helps pupils to develop the knowledge, understanding, skills and attitudes they need to live confident, healthy, independent lives now and in the future, as individuals, parents, carers, workers and members of society. It is also embedded within the wider learning offered by the school to ensure that pupils experience positive relationships with adults and with each other and feel valued. We promote respect and tolerance for everyone in our local community and in the wider world. Pupils are encouraged to take part in a wide range of activities and experiences across and beyond the curriculum, contributing fully to the life of our school and community.

	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
